LUMISOL

LIGHT UP YOUR TERRACE !

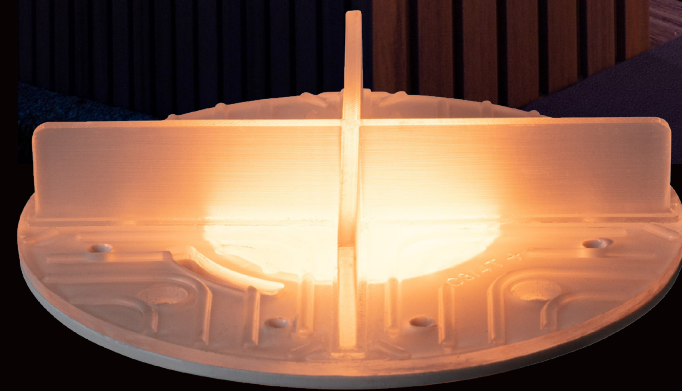

SOLIDOR

LUMISOL

AMBIENT LIGHTING BETWEEN YOUR TILES. SMART ON YOUR TERRACE PEDESTAL.

LUMISOL is the illuminated top plate that fits on SOLIDOR Comfort pedestals. The diffused light subtly shines through the joints, creating a warm, architectural glow. Easy to install, water-resistant, and app-controlled. Developed in Belgium, made for international use.

INSTALLATION STEP-BY-STEP GUIDE

STEP 1

Place two protective rubber pads underneath the pedestal.

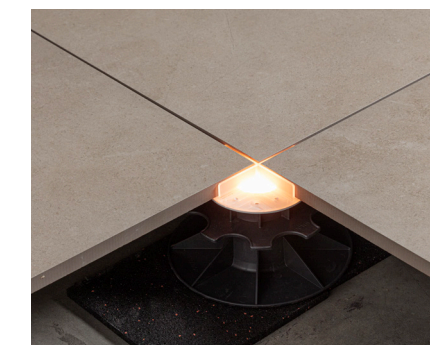

STEP 2

Leave an opening between the rubber pads for the cable.

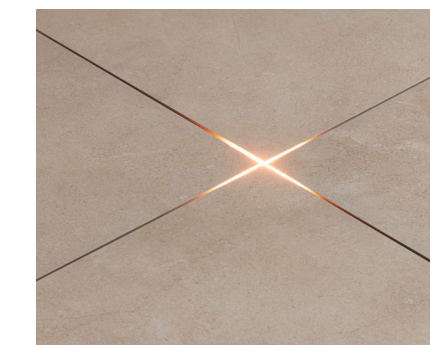

STEP 3

Place the top plate on the pedestal.

STEP 4

Connect the cable and plug it into the socket.

STEP 5

Connect with the app.

STEP 6

Select your desired colour and ambiance via your smartphone.
